

# THE PEGGY HILL TEAM'S

## Spring Home Maintenance Checklist

### OUTDOOR CHECKLIST

- Check exterior finishes for signs of deterioration (peeling paint, loose siding, cracks)
- Clear any clutter from under the deck and around the yard
- Seed and fertilize the lawn for a healthy, lush appearance
- Inspect the condition of the sprinkler and irrigation systems
- Schedule a professional roof inspection to catch any winter damage early

### INDOOR CHECKLIST

- Conduct a thorough top-to-bottom clean of the interior
- Store winter wear to declutter your living space
- Repair or replace caulking and weather stripping around windows and doors
- Test smoke and carbon monoxide alarms; replace batteries if needed.
- Polish wood furniture and dust light fixtures.
